

MercyCollege

Auxiliary

Our Mission

Mercy College Auxiliary invites you to join us as partners in supporting the mission of the Sisters of Mercy who were founded to meet the needs of the poor, sick, and uneducated.

From 1917 to today Mercy volunteers established, and over time, adapted service organizations to meet the increasing need for Mercy health care and education. Reflected in their names, the Mercy Hospital Guild and Mercy Hospital Auxiliary supported the Mercy mission of caring for anyone who sought help regardless of ability to pay. Membership numbers grew to provide increasing hours of service and fundraising activities.

With the closing of the Hospital and relocation of Mercy College to the renovated building, our name changed to reflect a focus on healthcare education, continuing the mission with the same Mercy spirit begun 90 years ago.

Who We Are

We are an organization of women and men who are interested in promoting the mission of Mercy College of Northwest Ohio.

We are volunteers who enjoy working together to sponsor programs and projects to fun student scholarships and provide support for quality education in the health sciences.

We offer personal and professional growth opportunities in partnership with the Sisters of Mercy sponsored healthcare mission in a value-based college environment.

We enjoy the companionship of each other during the planning of projects, luncheons, retreats, and more. There is always someone to talk with when you want to share joys or are in need of a friend.

We assist anyone in the best way we are able through the power of prayer, volunteer activities, and donations. As members we seek opportunities to express our interest in and concern for each other.

Mercy College Auxiliary

Several annual events held during September through May are sponsored by the Auxiliary for members and guests.

These events are chaired by Auxiliary Board members who form committees of volunteers interested in planning and carrying out the function:

- Mass and lunch in September (to celebrate Mercy Day) on the Mercy College campus.
- Retreat (one day) held on or off the Mercy campus
- Book, Candy, Nuts, and Jewelry Sales
- Flower and Bake Sales before Christmas and Easter
- Luncheons during the Christmas holidays, February, and in the spring (usually at a country club).
- Other activities of interest to members.

How to Join

Please complete the following information.

Name

Address

City

State

Zip Code

Phone

Email

Annual Membership: \$10.00 _____

Perpetual Membership: \$75.00 _____

Write check to: Mercy College Auxiliary
