The LOCAL need is great...

**“Jobs are everywhere but here...'
Hard times force families to adjust”**

-Toledo Blade (Nov 1, 2011)

Let us help answer this need in two ways:

1. TOY DRIVE

NEW Toys for AGES 3-18

UNWRAPPED

NO war related items (toy guns, knives, etc)

FOR: The ZEPF CENTER (non-profit agency that serves adults and children with mental health issues).

The Center sponsors a Toy Store in which parents can “shop” for gifts for their children.

2. CANNED FOOD DRIVE

FOR: The TOLEDO SEAGATE FOOD BANK, a regional food clearing house that serves 18 counties in northwestern Ohio...
