Nursing Tutoring  
Cancellation Policy  

**Purpose**  
Due to the increased demand and increased cancellations or “no call no show” to nursing tutoring appointments, the following policy was instituted. This policy will allow time for students to fill appointments that have been cancelled and allow tutoring hours to be utilized more efficiently.

**Cancellation Policy**  
Appointment cancellations must be made 24 hours in advance. For Saturday appointments or Monday appointments before noon, cancellations must be made by the preceding Friday at noon.

Students will be allowed one breach in the policy per academic year. For any further violation, a fee will be assessed. Each fee will be $20. The fee must be paid before any future appointments can be scheduled with the nursing tutor. An outstanding fee will also prevent registering for class and accessing grades.

Upon missing an appointment a student will be emailed a form that should be printed out and taken to the Business Office on the second floor to pay the fee and have the form signed. The signed form must be given to the nursing tutor in order to obtain another appointment.
