Students who do not have a local physician can try one of the following options to get the required physical and any necessary vaccines or titers. When scheduling an appointment with a new medical provider, make sure you take documentation of prior medical history with you to the appointment.

For Toledo campus students:
- Mercy Family Physicians Clinic (located in the same building as Mercy College)
  2200 Jefferson Avenue
  Toledo, OH 43604
  (419) 251-1400 – option 1 (identify yourself as a Mercy College student)
- Mercy Health - St. Vincent Employee Health Department
  2213 Cherry Street
  Suite 211
  Toledo, OH 43608
  (419) 251-4858

For all students:
- Local Health Department
- Local Urgent Care Clinic
- Vaccinations can also be given at in-store pharmacies such as Kroger, Walgreens, Rite Aid, etc.
